December 15, 2006

Dear Colleague,

Within the last several years, Dr. Herschel Graves and I have both been diagnosed with Celiac Disease. We were both immediately told to contact the Nashville Celiac Support Group, Chapter #76 of the Celiac Sprue Association (CSA) to help us navigate the challenges posed by a gluten free diet. This organization was an invaluable resource to both of us, and it continues to help hundreds of Celiac patients in the middle Tennessee area. Herschel and I now serve as medical advisors to the organization. In fact, Herschel has volunteered his time to meet with every newly diagnosed patient in the aisles of the Wild Oats Grocery to orient them to the gluten free diet. It was his personal commitment that inspired me to get involved as well. Together we strive to provide our time, our medical knowledge and our money to continue this service for all Celiac patients in the area. We hope you will be willing to support our efforts by making a small donation.

For many years, one Gastroenterologist has recognized the benefits of our local chapter to his patients, and he has honored us with an annual donation of \$100 to support the cause. Herschel and I hope you will consider a similar commitment so we can continue to serve your patients needs and extend Celiac awareness and education to middle Tennessee physicians and dietitians. Thank you for your consideration.

Sincerely,

Craig Wierum, MD
Member and Medical Advisor, Nashville Celiac Support Group

YES! I would like to support the efforts of the Nashville Celiac Support Group, CSA Chapter #76 with a donation of: **\$100** Other \$ _____
